*GMSMA programs are held at the LGBT Center, 208 West 13TH Street. Suggested donation for members is \$5, and for non-members \$7.*

## WORKSHOPS, SEMINARS, AND SPECIAL INTEREST GROUPS

### BASIC ROPE BONDAGE (WORKSHOP)

SATURDAY, SEPTEMBER 29 3-6 PM

A participatory workshop conducted by Rob that will cover: types of rope, bondage safety, rope handcuffs, rope harnesses, ball sac stretchers, ball separators, and rope gags for those who talk too much!

### SOLO S/M (SEMINAR)

SATURDAY, OCTOBER 27 3-6 PM

When you're in the mood and no top is in sight, doing it yourself may be the only option. Matthew will lead a discussion of the many things you can do by yourself and to yourself: hot wax, shaving, catheters, sounds, bondage, and much more. Learn about important safety concerns as well.

### "S/M: WHAT'S IT ALL ABOUT?" (SEMINAR)

SATURDAY, DECEMBER 8 3-6 PM

A seminar for men new to the scene, as well as for tops and bottoms interested in switching their usual roles. Topics will include types of relationships, meeting people, equipment, and the dynamics of a scene. There is no charge and no advance registration for this event conducted by Gil at the LGBT Center in NYC. **This seminar will be open to members and non-members, in a special outreach to the entire male s/m community.** *Don't use the sign-up slip; just come along!*

### BOOT BLACKING (WORKSHOP)

SUNDAY, MARCH 2 3-6 PM

Jim will teach the proper way to care for a man's boots. Attendees are required to wear black leather boots to the event (*no sneakers or shoes, boots must be black leather*). A \$10 materials fee will be collected at the event.

### HOODS AND MASKS (SEMINAR)

SATURDAY, MARCH 15 3-6 PM

Andrew will bring a large selection of hoods and masks to talk about, and for you to try on during this show and tell seminar. If you have an unusual one, bring it along. Learn about the dynamic and psychology behind their use, along with issues of safety.

### THE ART OF FLAGELLATION (WORKSHOP)

SUNDAY, APRIL 27 3-6 PM

Floggers, cat-o'-nine tails, quirts, and more. Examine and experiment with these implements, under the guidance of John. Individual attention will be given to help you learn how to properly handle a flogger for safety and pleasure. No prior experience is necessary.

### SUSPENSION (SEMINAR/DEMONSTRATION)

SUNDAY, MAY 18 3-6 PM

This event is intended primarily for Tops and Switches. Bob, a renowned expert in the art of suspension, will demonstrate how to take your bottom to new heights safely.

### MUMMIFICATION (WORKSHOP)

SUNDAY, JUNE 1 3-6 PM

Learn about Saran Wrap, Vetrap, and other mummifications, with variations that include duct tape, PVC tape, and colored wrap conducted by Master Tip. We'll supply the materials, you supply the ingenuity and creativity. A \$5 materials fee will be collected at the event.

### NOVICES SIG (SPECIAL INTEREST GROUP)

Gil and Andrew will conduct a series of 9 four-hour workshops for both "Tops" and "bottoms" who have little or no experience (or want to brush up on their skills). Among the areas covered will be basic bondage, spanking and flogging, tit and genitorture, shaving, candles, electricity, and more. Meeting (usually) every other Sunday afternoon beginning October 14. For details call 212-727-9878. Call quickly, as this SIG fills almost immediately! 25 attendees maximum.

### BEGINNERS BONDAGE SIG (2 SESSIONS)

Peter will conduct this 2 part SIG on Saturday and Sunday February 9/10 as an introduction to bondage for those with little or no experience. It progresses rapidly from simple rope bondage to advanced topics like mummification and severe bondage. This is a hands-on event and all are expected to participate. Tops and switches are more likely to benefit from this course than exclusive bottoms. Participants must attend both sessions, each from noon to 6 PM. A single \$10 materials fee will be collected. To apply, call 212-727-9878. Maximum of 14 attendees.

GMSMA offers members and their male guests opportunities for in depth exploration of specific topics. Although members attend at no charge (except for supply fees), each guest will be charged \$10 at the event (aside from supply fees). The member must accompany the guest at the event. Since space must be reserved in advance, members should indicate which event a guest will be attending and write the guest's name below, or phone in later with a guest name. Only members may attend a SIG.

Seminars are discussion groups that meet for one afternoon. Workshops are one-time, "hands-on" learning events. Special Interest Groups (SIGs) are groups that get together for a series of meetings. None of these events are intended to be an actual s/m scene. As a protection for everyone, no drugs or alcohol are permitted. These events are generally NOT held at the LGBT Center. Initial confirmation calls, with venue information, are made to participants 3 weeks before the event. Members who do not show up for enrolled events without prior notification (or whose enrolled guests do not show) will be cancelled from future events. If you sign up for an event of March-June, we will make preliminary contact in January to confirm that interest. **Sign up NOW!**

GAY MALE S/M ACTIVISTS

**G**MSMA is a not-for-profit organization of gay men who are seriously interested in safe, sane, and consensual s/m. Our purpose is to create a more supportive s/m community for gay men whether they are experienced or are just coming out into s/m. Our regular meetings and other activities help build a sense of community by exploring common feelings and concerns.

We aim to raise awareness about issues of safety and responsibility, to recover elements of our tradition, and to disseminate the best available medical and technical information about s/m practices. We seek to establish a recognized political presence in the wider gay community in order to combat the prevailing stereotypes and misconceptions about s/m while working with others for the common goals of gay liberation.

GMSMA is an all volunteer organization managed by a Board of Directors that is elected by the membership. Membership is open to any male nineteen years of age or older.

GMSMA is you, our members, and we need you to help us in many ways. Volunteer today. It's a great way to make friends and become an active part of the s/m community!

I would like to know more about how I can volunteer and help GMSMA. Please contact me.
